STATEMENT OF OBJECTS AND REASONS

The Ganesh Flour Mills Company Limited is a public limited company incorporated in 1891. The Company was not being managed in a manner befitting its size and position. This led to gross mismanagement and grave financial irregularities in its working. As a result, the Ganesh Flour Mills Company Limited remained closed. The management of the Ganesh Flour Mills Company Limited was, therefore, taken over on the 3rd November, 1972, under section 18AA of the Industries (Development and Regulation) Act, 1951.

2. Certain units of the aforesaid Company, namely:—

- (i) The Delhi Vanaspati Factory, Delhi;
- (ii) The Hindustan Breakfast Food Manufacturing Factory, New Delhi, including the Ganesh Electrical Factory, New Delhi, which is interlinked with it by reason of its location, common services and infrastructure;
- (iii) The Kanpur Vanaspati Factory, Kanpur; and
- (iv) The Solvent Extraction Plant, Bombay

(hereinafter referred to as the Ganesh Flour Mills) being managed by the Central Government under section 18AA of the Industries (Development and Regulation) Act, 1951, have been refining crude rapeseed oil imported from abroad for supply to the public distribution system all over the country. It has also been producing wholesome vanaspati for sale at reasonable prices in the open market. The Ganesh Flour Mills has, thus, been playing an important role in the supply of commodities essential to the needs of the common man. It is intended further to extend the role of the Ganesh Flour Mills by means of expansion of its production capacity and diversification of its production function as a part of the nucleus of the instrumentalities under the public sector so as to provide Government a commanding role in the regulation of the edible oil economy. Certain schemes for this purpose are under preparation.

3. The Ganesh Flour Mills Company Limited had a negative networth at the time of its take-over in November, 1972, and on its own it was not in a position to raise the necessary funds and provide the managerial inputs to bring it back to running condition. Under the management of the Government, financial loan was provided by the Industrial Reconstruction Corporation of India. Besides this, considerable managerial and technical inputs have been provided to bring the Ganesh Flour Mills to its current healthy situation. In order to enable it to play the role envisaged for it under Government's policy for regulating the edible oil economy, it is necessary to make further investments for modernisation of its machinery and diversification of its activities. It was felt that further investments for such purposes should be preceded by some arrangement which ensures continuity of management of the Ganesh Flour Mills under the Central Government. The Ganesh Flour Mills Company Limited (Acquisition and Transfer of Undertakings) Ordinance, 1984 was accordingly promulgated on the 28th January, 1984.

4. The Bill seeks to replace the aforesaid Ordinance.
